Memorandum for Messrs. Ahrensfeld

Enclosed is a proposal, budget and budget explanation from Drs. Alfred M. Freedman and Richard Brotman, together with their curricula vitae and bibliographies. The budget is for the first year and, we understand the proposal is for a two year period; thus, the total cost for the two years would be $400,000.

Janet Brown, Bill Shinn and I have discussed this proposal with them. We recommend its approval. We are prepared to discuss it further with each of you individually or as you may see fit.

We are advised, that for planning purposes, including personal commitments, Drs. Freedman and Brotman need to know before the year's end whether this will go forward. Accordingly, we would appreciate a decision by early December.
